Wreath Laid At Confederate Cemetery

To MarkVeterans Day

A wreath was laid Wednesday, Nov. 11 -Veterans Day - at the Confederate Cemetery, Appomattox Court House National Historical Park, to honor servicemen and women of every U.S. Conflict. Mrs. A. J. (Emma) Zastrow, president of the Appomattox Chapter, United Daughters of the Confederacy, National Park Supt. F. Alec Gould and W. E. Layne, Sgt.-at-Arms, Post 104, American Legion, were present for the wreath laying.

Mr. Layne was in France at the time of the Nov. 11, 1918 Armistice which ended World War I. Part of his duties overseas included guarding General John J. Pershing. He is the father of four daughters and two sons, both of whom are service veterans.

Mrs. Zastrow says that the history of the UDC chapter here dates back to May 18, 1866 when a Ladies Association was formed similar to the Ladies Memorial Association in other parts of the South. Eighteen Confederate and one Union soldier are buried in the Confederate cemetery. The Appomattox Ladies Association joined the United Daughters of the Confederacy in 1895, and the UDC chapter here has remembered the Confederates on many occasions with a laying of a wreath at the cemetery.

At least seven World War I veterans are still active in Post 104, American Legion in Appomattox. They include Allen Martin, George Wiley Wooldridge, C. A. Agree, Herbert Pulliam, W. E. Layne, A. J. Zastrow and Frank Coleman.

Fidelity's "Topper" savings plan tops them all!

The Topper tops them all. Why? Because it's a great savings plan especially designed for those who want to start with small amounts and build savings at a high interest rate.

With the Topper, no minimum or maximum deposit is required, and you'll earn 5% or 5¼% depending on the maturity date you choose. An extra bonus for the Topper is the convenience of both the passbook and quarterly statement.

The 5% TOPPER: Here is how it works . . . to earn 5%, deposit any amount in a Topper account for 90 days or more. Your daily interest, compounded continuously, earns an effective annual rate of 5.13%. Best of all, you can make additional deposits in any amount at any time, and you don't need your passbook to do it. Your money isn't tied up for a long time either. Any funds that have been on deposit for 90 days or longer may be withdrawn during the first 10 days of a calendar quarter.

THE 5¾% TOPPER: If you select a maturity date of from 2 to 10 years, you'll earn 5¾% compounded continuously for a net annual yield of 5.92%, and you can make additional deposits to earn the same high rate in any amount up to 2 years before maturity.

Interest on both types of Topper is paid quarterly and can be mailed to you, deposited to your checking account or left in your Topper to accumulate. Whichever you choose, Topper offers the highest interest and the greatest flexibility of any bank savings plan allowed by law.

Don't wait. Open your Topper account today at any Fidelity office or send us this coupon with your initial deposit. The Topper. It's the big plan for little people.
